## Profile

I have a background in secondary science education, and made the transition into Digital Learning Design which has been one of the best decisions I have ever made! I am currently working as a Digital Learning Designer for Aurora, a trust that owns 20 SEN schools around the UK.

I have completed a Professional Certificate in Instructional Design with the Digital Learning Institute. I am able to use Articulate Storyline and Rise, Adobe Creative Suite, Captivate, Camtasia, Vyond and I hope to continue learning more tools to enhance the learning experiences I design,
